POWER PRODUCTS

# POWER PRODUCTS

**CATALOGUE 2024 - 2025**

GENUINE PRODUCT OF  
HYUNDAI CORPORATION

**HYUNDAI. A global giant and one of the most recognized and respected brands in the world. With leading products, competitive pricing and a global footprint in over 90 countries, HYUNDAI delivers high quality products from a brand you know and trust. Welcome, to HYUNDAI POWER PRODUCTS.**

**POWERED by**  
**HYUNDAI**

Powered by HYUNDAI models are designed and manufactured in South Africa.

Look for the **GENUINE PRODUCT** mark, which is your assurance that the HYUNDAI product you purchased, is a **GENUINE HYUNDAI PRODUCT**.

## CONTENTS

**ENGINES** 06 - 11

Vertical Shaft • Horizontal Shaft Single Cylinder • Horizontal Shaft V-Twin Cylinder

**POWER PRODUCTS** 12 - 29

Generators • Welders • Pumps • High Pressure Washers

**GARDEN PRODUCTS** 30 - 45

Grass Trimmers • Brushcutters • Clearings Saws • Chainsaws • Leaf Blowers • Mist Blowers •  
Hedge Trimmers • Multi-tools • Lawnmowers • Earth Augers • Wood Chippers

**LUBRICANTS** 46 - 51

4-Stroke Oils • 2-Stroke Oils • Chainsaw Bar & Chain Oils

**NEW PRODUCTS COMING IN 2025 - 2026** 52 - 53

Battery Garden Tools • Battery Power Tools • Air Compressors • Agricultural Products

## WHY HYUNDAI?

### Global Leader

A global leader in manufacturing and distribution of world class products, packed with standard features at a competitive price point.

### World Renowned

HYUNDAI is a globally respected and recognised brand with a global footprint and proven track record for reliability and value for money products.

### Wide Range

With a diverse range of over 11,000 hardware products including engines, generators, power products, garden products, light construction products, power tools, air tools, battery products and hand tools, HYUNDAI offers a solution for virtually every consumer, landowner & professional tool and power equipment need.

### Quality You Can Afford

A combination of quality at an affordable price makes HYUNDAI a leader in the global engines and outdoor power equipment markets.

### Peace Of Mind

All HYUNDAI products are backed by after sales parts, service, repairs and warranty support via a dedicated National Sales & Service Dealer Network.

## SYMBOLS & LOGOS

### Petrol Powered

Powered by a 2-stroke or 4-stroke petrol engine.

### Diesel Powered

Powered by a 4-stroke diesel engine.

### Electric Powered

Powered by a corded electric motor.

### Lubricants

For lubricating engines and equipment components.

### Coming Soon

Designates a new product launching in 2024 - 2025. Launch dates to be announced.

# ENGINES

---

Vertical Shaft • Horizontal Shaft Single Cylinder • Horizontal Shaft V-Twin Cylinder

## VERTICAL SHAFT ENGINES

### SINGLE CYLINDER

Petrol engines with efficient OHV configuration and lightweight design. Powerful, robust, easy to use to help you conquer the toughest lawn mowing jobs.

- Suitable for lawnmower and power tiller applications
- All models are 4-stroke
- Large fuel tanks for extended running periods
- Auto choke system

Model	H170VC	H200VC
Gross Horsepower (HP)	5.5	7
Displacement (cc)	170	201
Start System	Recoil	Recoil
Fuel Tank Capacity (L)	0.8	1.3
Oil Capacity (L)	0.5	0.5
PTO Shaft	22.2mm x 51mm	22.2mm x 72mm
Air Filter	Paper element	Paper element
Exhaust System	Low tone	Low tone
Net Weight (kg)	9	11
Applications	Landowner	Professional

## VERTICAL SHAFT ENGINES

### SINGLE CYLINDER

Petrol engines with efficient OHV configuration and lightweight design. Powerful, robust, easy to use to help you conquer the toughest lawn mowing jobs.

- Suitable for industrial lawnmower and ride-on lawnmower applications
- All models are 4-stroke
- Large fuel tanks for extended running periods
- Exhaust system included
- Electric start systems (dual start on H340VC)

Model	H340E	H340VC
Gross Horsepower (HP)	11	11
Displacement (cc)	340	340
Start System	Electric	Recoil + electric (Dual Start)
Fuel Tank Capacity (L)	3.5	3.5
Oil Capacity (L)	1.1	1.1
PTO Shaft	25.4mm x 80mm	25.4mm x 80mm
Air Filter	Paper element	Paper element
Exhaust System	Low tone	Low tone
Net Weight (kg)	23.5	23.5
Applications	Landowner	Landowner

# HORIZONTAL SHAFT ENGINES

## SINGLE CYLINDER

Heavy duty petrol engines that deliver powerful performance for a variety of commercial applications.

- H212 is suitable for water pump, pressure washer, compressor, power tiller and cylinder lawnmower applications
- H301 is suitable for water pump, compressor, plate compactor and industrial lawnmower applications
- All models are 4-stroke
- Large fuel tanks for extended running periods
- Low oil protection

Model	H212	H301
Gross Horsepower (HP)	7	10
Displacement (cc)	212	301
Start System	Recoil	Recoil
Fuel Tank Capacity (L)	3.6	5.4
Oil Capacity (L)	0.55	1.1
PTO Shaft	19mm keyed	25.4mm keyed
Air Filter	Dual element	Dual element
Exhaust System	Low tone	Low tone
Net Weight (kg)	16	26
Applications	Professional	Professional

## HORIZONTAL SHAFT ENGINES

### SINGLE CYLINDER

Heavy duty petrol engines that deliver powerful performance for a variety of commercial applications.

- Suitable for water pump, compressor, power tiller, plate compactor, pressure washer, industrial lawnmower, generator and welder applications
- All models are 4-stroke
- Large fuel tanks for extended running periods
- Low oil protection
- High torque output

Model	H420	H420T	H420E	H420ET
Gross Horsepower (HP)	15	15	15	15
Displacement (cc)	420	420	420	420
Start System	Recoil	Recoil	Electric	Electric
Fuel Tank Capacity (L)	6.5	6.5	6.5	6.5
Oil Capacity (L)	1.1	1.1	1.1	1.1
PTO Shaft	25.4mm keyed	Tapered (genset spec)	25.4mm keyed	Tapered (genset spec)
Air Filter	Dual element	Dual element	Dual element	Dual element
Exhaust System	Low tone	Low tone	Low tone	Low tone
Net Weight (kg)	31	31	32	32
Applications	Professional	Professional	Professional	Professional

# HORIZONTAL SHAFT ENGINES

## V-TWIN CYLINDER

Heavy duty V-Twin cylinder petrol engines that deliver powerful performance for a variety of commercial applications.

- Suitable for water pump, pressure washer, wood milling, generator and welder applications
- All models are 4-stroke
- Large capacity dual air filtration system
- Low oil protection
- High torque output

Model	H740E	H740ET
Gross Horsepower (HP)	23	23
Displacement (cc)	740	740
Start System	Electric	Electric
Fuel Tank Capacity (L)	No tank	No tank
Oil Capacity (L)	1.6	1.6
PTO Shaft	25.4mm keyed	Tapered (genset spec)
Air Filter	Dual element	Dual element
Exhaust System	Low tone	Low tone
Net Weight (kg)	45	45
Applications	Professional	Professional

# GENERATORS

---

Portable Generators • Inverter Generators • Contractor Generators

## PORTABLE GENERATORS

2.7 kW – 8.5 kW

Powerful petrol powered generators with large displacement engines and efficient AVR regulated alternators. Large fuel tanks provide lengthy run times between re-fuels.

- Suitable for powering multiple appliances at home, the office or jobsite
- South African specification plug points (32A included on HG6000E and HG8500E)
- Voltmeter
- Low oil protection
- Battery included on HG6000E and HG8500E

Model	HG3000	HG6000E	HG8500E
Max. Rating (Watts)	3000	6000	8500
Cont. Rating (Watts)	2700	5500	8000
Voltage (V)	230	230	230
AVR Regulation	Yes	Yes	Yes
Engine Displacement (cc)	212	420	500
Fuel Tank Capacity (L)	18	28	28
Start System	Recoil	Electric	Electric
Frame Type	Carry	Trolley	Trolley
Net Weight (kg)	45	87	102
Applications	Homeowner	Landowner	Landowner

## PORTABLE GENERATORS

9 kW – 12 kW

Powerful petrol powered generators with large displacement V-Twin cylinder engines and efficient AVR regulated alternators. Large fuel tanks provide lengthy run times between re-fuels.

- Suitable for powering multiple appliances at home, the office or jobsite
- South African specification plug points with 32A included on both models
- Voltmeter
- Low oil protection
- Battery included

Model	HG10000E	HG12000E
Max. Rating (Watts)	10000	12000
Cont. Rating (Watts)	9000	11000
Voltage (V)	230	230
AVR Regulation	Yes	Yes
Engine Displacement (cc)	670 (V-Twin cylinder)	740 (V-Twin cylinder)
Fuel Tank Capacity (L)	36	48.5
Start System	Electric	Electric
Frame Type	Trolley	Trolley
Net Weight (kg)	150	154
Applications	Landowner	Landowner

## INVERTER GENERATORS

2 kW – 4 kW

Pure sine wave petrol powered generators with closed frames for outdoor, leisure and home use. Perfect for sensitive electronic equipment such as computers, camera systems and oxygen machines.

- Suitable for powering small appliances at home, the office or jobsite
- South African specification plug points
- Digital meter
- Low oil protection
- Battery and remote start (key FOB) included on H4000iSE

Model	H2200iS	H4000iSE
Max. Rating (Watts)	2200	4000
Cont. Rating (Watts)	2000	3800
Voltage (V)	230	230
AVR Regulation	Yes	Yes
Engine Displacement (cc)	98	223
Fuel Tank Capacity (L)	3.8	9
Start System	Recoil	Electric + remote
Frame Type	Silent Carry	Silent Trolley
Net Weight (kg)	20	47
Applications	Homeowner	Homeowner

## CONTRACTOR GENERATORS

6 kW – 7 kW

Robust petrol powered generators with large displacement engines for heavy duty daily contractor use. Simple no frills design for maximum durability and reliability on any jobsite.

POWERED by  
**HYUNDAI**

- Powerful H420 Series engines
- Reliable NSM and Mecc Alte alternators
- South African specification plug points
- Low oil protection
- Heavy duty steel frames
- Battery included on HG6CE and HG7-3CE

Model	HG6C	HG6CE	HG7-3C	HG7-3CE
Max. Rating (Watts)	6600	6600	7000	7000
Cont. Rating (Watts)	6000	6000	6300	6300
Voltage (V)	230	230	400/230	400/230
Regulation	Capacitor	Capacitor	Compound	Compound
Engine Displacement (cc)	420	420	420	420
Fuel Tank Capacity (L)	6.5	6.5	6.5	6.5
Start System	Recoil	Electric	Recoil	Electric
Frame Type	Trolley	Trolley	Trolley	Trolley
Net Weight (kg)	80	84	79	83
Applications	Professional	Professional	Professional	Professional

## CONTRACTOR GENERATORS

11 kW

Robust petrol powered generators with large displacement V-Twin cylinder engines for heavy duty daily contractor use. Simple no frills design for maximum durability and reliability on any jobsite.

POWERED by  
**HYUNDAI**

- Powerful H740 Series V-Twin engines
- Reliable NSM and Mecc Alte alternators
- South African specification plug points
- Low oil protection
- Heavy duty steel frames
- Battery included

Model	HG10CE	HG10-3CE
Max. Rating (Watts)	11000	11000
Cont. Rating (Watts)	10000	10000
Voltage (V)	230	400/230
Regulation	Capacitor	Compound
Engine Displacement (cc)	740 (V-Twin cylinder)	740 (V-Twin cylinder)
Fuel Tank Capacity (L)	20	20
Start System	Electric	Electric
Frame Type	Trolley	Trolley
Net Weight (kg)	138	134
Applications	Professional	Professional

## PORTABLE DIESEL GENERATORS

7.5 kW

Robust diesel powered generators for home, office or onsite use. Choose between an open set or a closed canopy set with low noise emission and protection from the weather elements.

**COMING  
SOON**

Launch date to be announced.

- Includes 3-in-1 digital meter:
  - Volts
  - Hertz
  - Hours
- South African specification plug points
- Battery included

Model	HD9500E	HD9500SE
Max. Rating (Watts)	7500	7500
Cont. Rating (Watts)	6600	6600
Voltage (V)	230	230
Regulation	AVR	AVR
Engine Displacement (cc)	532	532
Fuel Tank Capacity (L)	12.5	30
Start System	Electric	Electric
Frame Type	Open, with wheels	Sound attenuated, with wheels
Net Weight (kg)	132	180
Applications	Landowner	Landowner

**POWER, WHENEVER YOU NEED IT.**

# WELDERS

---

Portable Welders

## PORTABLE WELDERS

### 200 AMP

Portable petrol powered welder generators for construction site and general on-site contractor use. Lightweight design ensures maximum portability and efficiency.

POWERED by  
**HYUNDAI**

- Powerful H420 Series engines
- Efficient NSM & Mecc Alte welder alternators
- Heavy duty steel frames
- Battery included on HW200E

\* Excludes welding cables kit

Model	HW200	HW200E
Max. Rating (Amps)	200	200
Duty Cycle @ 160 Amps	60%	60%
Duty Cycle @ 200 Amps	35%	35%
Auxiliary Power (Watts)	7000	7000
Engine Displacement (cc)	420	420
Fuel Tank Capacity (L)	6.5	6.5
Start System	Recoil	Electric
Frame Type	Trolley	Trolley
Net Weight (kg)	92	96
Applications	Professional	Professional

# PUMPS

---

Clear Water Pumps • Agricultural Pumps

## CLEAR WATER PUMPS

50mm – 80mm

Efficient petrol powered clear water pumps for general clear water transfer applications. Perfect for pumping from pools, rivers, manholes, bulk water tanks and irrigation applications.

POWERED by  
**HYUNDAI**

- Powerful H212 Series 4-stroke engines
- Heavy duty protection frames
- Clamps and strainer included

Model	HP50	HP80
Inlet/Outlet Size (mm)	50	80
Max. Flowrate (l/min)	600	1000
Max. Delivery Head (M)	33	33
Max. Suction Lift (M)	7	7
Engine Displacement (cc)	212	212
Fuel Tank Capacity (L)	3.6	3.6
Start System	Recoil	Recoil
Frame Type	Carry	Carry
Net Weight (kg)	25	28
Applications	Professional	Professional

## AGRICULTURAL PUMPS

50mm

Petrol powered thermoplastic pump for transferring corrosive and high pH liquids for farming and other applications.

POWERED by  
**HYUNDAI**

- Powerful H212 Series 4-stroke engine
- Heavy duty protection frame
- Robust BANJO thermoplastic pump end

\* Excludes inlet/outlet elbows (female threads only)

Model	HPC50
Inlet/Outlet Size (mm)	50
Max. Flowrate (l/min)	520
Max. Delivery Head (M)	28
Max. Suction Lift (M)	7
Engine Displacement (cc)	212
Fuel Tank Capacity (L)	3.6
Start System	Recoil
Frame Type	Carry
Net Weight (kg)	26
Applications	Professional

**EFFICIENT BULK LIQUID TRANSFER SOLUTIONS.**

# HIGH PRESSURE WASHERS

---

Electric High Pressure Washers • Petrol High Pressure Washers

## HIGH PRESSURE WASHERS

135 BAR – 225 BAR

Powerful electric powered high pressure washers for homeowners and landowners. All models come packed with numerous standard features included.

**COMING SOON**

Launch date to be announced.

- Powerful and reliable electric motors
- Auto stop systems extends motor and pump life
- Handles and wheels for easy transport
- Hose reels for ease of use while cleaning (on HPWE165 & HPWE225)
- Detergent system

Model	HPWE135	HPWE165	HPWE225
Max. Pressure (Bars)	135	165	225
Max. Flowrate (l/min)	7.1	7.2	9.0
Motor Rating (Watts)	1600	2100	3200
Auto Stop	Yes	Yes	Yes
Hose Reel	No	Yes	Yes
Hose Length (M)	5	5	5
Cleaning Nozzle Type	1 X Adjustable, 1 X rotary	1 X Adjustable, 1 X rotary	1 X Adjustable, 1 X rotary
Detergent Tank Type	Bottle	Built in tank	Built in tank
Net Weight (kg)	9	20	26
Applications	Homeowner	Homeowner	Landowner

## HIGH PRESSURE WASHERS

193 BAR – 275 BAR

Powerful petrol powered high pressure washers for the toughest cleaning jobs, with a number of standard features included for maximum versatility.

**COMING SOON**

Launch date to be announced.

- Powerful R Series 4-stroke engines
- HPW200 suitable for medium duty work around the home and smaller jobsites
- HPW275 suitable for daily contractor use
- Heavy duty Annovi Reverberi TRIPLEX pump and steel braided hose featured on the HPW275

Model	HPW200	HPW275
Max. Pressure (Bars)	193	275
Max. Flowrate (l/min)	8.75	15
Engine Displacement (cc)	212	420
Start System	Recoil	Recoil
Fuel Tank Capacity (L)	3.6	6.5
Hose Length (M)	7.5	15
Cleaning Nozzle Type	4 Nozzles: 0° + 15° + 40° + Soap	4 Nozzles: 0° + 15° + 40° + Soap
Frame Type	Trolley	Trolley
Net Weight (kg)	28	61
Applications	Landowner	Professional

**POWERFUL CLEANING SOLUTIONS.**

# GARDEN PRODUCTS

---

Grass Trimmers • Brushcutters • Clearing Saws • Chainsaws • Leaf Blowers • Mist Blowers •  
Hedge Trimmers • Multi-Tools • Lawnmowers • Earth Augers • Wood Chippers

## PETROL POWERED GARDEN PRODUCTS

Versatile range of 2-stroke and 4-stroke lawn, yard, turf and forestry products for homeowners, landowners and professional contractors.

## GRASS TRIMMERS

**26cc (0.75 kW)**

Robust 2-stroke grass trimmer for smaller gardens and edging around flower beds and trees. Our lightest grass trimmer in our range.

**COMING SOON**

Launch date to be announced.

- Powerful 2-stroke engine
- Curved drive shaft
- Ergonomic loop handle is perfect for edging
- Lightweight design for maximum operator comfort

Model	HGT26H
Engine Displacement (cc)	26
Power (kW)	0.75
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	0.5
Drive Shaft Type	Curved
Cutting Heads	Nylon bump head
Handle Type	Loop
Net Weight (kg)	5.0
Applications	Homeowner

## BRUSHCUTTERS

43cc – 52cc (1.25 kW – 1.8 kW)

Powerful 2-stroke brushcutters for demanding homeowner, landowner and professional use. All models feature heavy duty 28mm drive shafts and are perfect for maintaining large areas of grass.

- Powerful 2-stroke engines
- Full accessories kits with harness, nylon cutting head, cutting blade, tool kit and fuel mixing bottle
- Heavy duty drive shafts and gearboxes
- Ergonomic operator handles
- All models feature the same 28mm drive shaft and operator handle assemblies

Model	HBC43H	HBC43L	HBC52P
Engine Displacement (cc)	43	43	52
Power (kW)	1.25	1.6	1.8
Type	2-Stroke	2-Stroke	2-Stroke
Fuel/Oil Mix Ratio	40:1	40:1	40:1
Fuel Tank Capacity (L)	1.25	1.25	1.25
Drive Shaft Size (mm)	28	28	28
Cutting Heads	Nylon + 3 tooth blade	Nylon + 3 tooth blade	Nylon + 3 tooth blade
Handle Type	Bull	Bull	Bull
Net Weight (kg)	7.8	7.8	8.0
Applications	Homeowner	Landowner	Professional

## CLEARING SAWS

**50cc (1.8 kW)**

Powerful 2-stroke clearing saw for tougher grass clearing applications. Featuring an advanced anti-vibration system and a premium comfort harness for maximum operator comfort and protection. Powered by our advanced multi-use 50 Series 2-stroke engine.

- Powerful 50 Series 2-stroke engine
- Heavy duty drive shaft and gearbox
- Ergonomic operator handles with advanced anti-vibration system
- Saw blade included

Model	HBC50L
Engine Displacement (cc)	50
Power (kW)	1.8
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	0.85
Drive Shaft Size (mm)	28
Cutting Heads	Nylon + 40 tooth blade
Handle Type	Bull + anti-vibration system
Net Weight (kg)	8.5
Applications	Landowner

## CHAINSAWS

40cc – 65cc (1.6 kW – 2.9 kW)

Powerful 2-stroke chainsaws that deliver excellent cutting performance, durability and ease of use for homeowner, landowner and professional cutting applications.

- Powerful 2-stroke engines
- OREGON cutter bars and chains on HCS58L and HCS65P models
- OREGON AdvanceCut system featured on HCS65P
- Ergonomic operator handles
- Cutter bar cover included

Model	HCS40H	HCS58L	HCS65P
Engine Displacement (cc)	40	58	65
Power (kW)	1.6	2.4	2.9
Type	2-Stroke	2-Stroke	2-Stroke
Fuel/Oil Mix Ratio	40:1	40:1	40:1
Fuel Tank Capacity (L)	0.4	0.55	0.55
Cutter Bar Size (cm/in)	40 / 16	40 / 16	45 / 18
Chain Type	3/8 / 050	3/8 / 058	3/8 / 058
Bar & Chain Make	HYUNDAI	OREGON	OREGON
Net Weight (kg)	5.0	7.5	7.5
Applications	Homeowner	Landowner	Professional

## LEAF BLOWERS

**25.4cc – 63.3cc (0.75 kW – 2.7 kW)**

High velocity, high volume 2-stroke leaf blowers for homeowners, landowners & professionals. Choose between a handheld or backpack model with impressive operator comfort levels. Powerful, efficient and easy to use.

- Powerful 2-stroke engines
- Anti-vibration operator handle on HBL26H
- Padded backrest with hip support on both backpack models

Model	HBL26H	HBL43P	HBL63P
Engine Displacement (cc)	25.4	43	63.3
Power (kW)	0.75	1.2	2.7
Type	2-Stroke	2-Stroke	2-Stroke
Fuel/Oil Mix Ratio	40:1	40:1	40:1
Fuel Tank Capacity (L)	0.45	1.3	2.0
Air Velocity (km/h)	245	223	310
Air Volume (m3/h)	540	900	1188
Type	Handheld	Backpack	Backpack
Net Weight (kg)	5.7	8.8	10.0
Applications	Homeowner	Professional	Professional

## MIST BLOWERS

**63.3cc (2.7 kW)**

High velocity 2-stroke mist blower with superb misting range capability and large liquid tank for lengthy working periods between re-fills. Ergonomic harness and padded backrest ensure the operator works in comfort.

- Powered by the same powerful 2-stroke engine utilized on the HBL63P Backpack Blower
- Padded backrest with hip support
- Large capacity liquid tank
- Efficient misting operation with 3 spray modes

Model	HMB63P
Engine Displacement (cc)	63.3
Power (kW)	2.7
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	2.0
Liquid Tank Capacity (L)	25
Max. Horizontal Range (M)	24
Max. Range (M)	18
Net Weight (kg)	14.3
Applications	Professional

## HEDGE TRIMMERS

**25.4c (0.75 kW)**

Heavy duty 2-stroke hedge trimmer perfect for large hedges around homes, estates and professional applications. Includes dual blades with blade tip protector.

- Powerful 2-stroke engine
- Adjustable operator handle for ease of operation
- Blade tip protector protects blades from impact during handling and storage
- Large cutting blades make light work of larger hedges
- Brush guard protector

Model	HHT26P
Engine Displacement (cc)	25.4
Power (kW)	0.75
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	0.23
Cutting Blades Length (mm)	600
Blade Tip Protector	Yes
Handle Type	180° adjustable with anti-vibration system
Net Weight (kg)	5.3
Applications	Professional

**GIVING YOU THE HEDGE.**

## MULTI-TOOLS

**43cc (1.2 kW)**

Powerful 2-stroke multi-tool with 4-in-1 function. The perfect solution for large homes & landowners looking for an affordable all-in-one garden and landscape maintenance tool.

- Powerful 2-stroke engine
- Pruner attachment
- Saw attachment
- Trimmer attachment
- Brushcutter attachment
- Extension attachment (1 meter)

Model	HMT43L
Engine Displacement (cc)	43
Power (kW)	1.2
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	0.9
Tools	4-in-1: trimmer + brushcutter + hedge trimmer + pole saw
Handle Type	Loop
Harness	Yes
Net Weight (kg)	14.1
Applications	Landowner

## LAWNMOWERS

### WALK BEHIND (480mm)

Efficient large cut lawnmowers powered by 4-stroke OHV petrol engines. With heavy duty cutting systems that deliver a consistent cut in all cutting conditions.

**COMING SOON**

Launch date to be announced.

- Powerful 4-stroke engines
- Heavy duty steel chassis
- Heavy duty cutting blades
- Heavy duty bearing wheels
- Large 11" rear wheels

Model	HLM48L	HLM48LS
Engine Type	HYUNDAI 4-stroke petrol	HYUNDAI 4-stroke petrol
Engine Displacement (cc)	196	196
Cutting Width (mm)	480	480
Blade Type	Bar	Bar
Cutting System Type	4-in-1: side & rear discharge + collector + mulching	4-in-1: side & rear discharge + collector + mulching
Collector Capacity (L)	65	65
Cutting Height Range (mm)	25 – 75	25 – 75
Drive System	Push	Self-propelled
Net Weight (kg)	38	39
Applications	Landowner	Landowner

## EARTH AUGERS

**50cc (1.8 kW)**

Powerful 2-stroke earth auger for landowners and farmers. The perfect tool for completing long game and farming fence runs and planting small - medium sized trees. Powered by our advanced multi-use 50 Series 2-stroke engine.

**COMING SOON**

Launch date to be announced.

- Powerful 50 Series 2-stroke engine
- One man operation capability
- Supplied with 3 drill bits included

Model	HEA50L
Engine Displacement (cc)	50
Power (kW)	1.8
Type	2-Stroke
Fuel/Oil Mix Ratio	40:1
Fuel Tank Capacity (L)	0.85
Drill Bits	Includes: $\varnothing$ 10cm + $\varnothing$ 15cm + $\varnothing$ 20cm
Drilling Depth (cm)	80
Handle Type	Single operator
Net Weight (kg)	9.1
Applications	Landowner

**WE MOVE THE EARTH FOR YOU.**

## WOOD CHIPPERS

Ø 50mm – 120mm

Efficient heavy duty wood chippers powered by 4-stroke petrol engines. Whether chipping at home, around the farm or on a large municipal site, get the job done quickly.

**COMING SOON**

Launch date to be announced.

- Powerful 4-stroke engines
- All steel construction
- Wheeled for maximum maneuverability around any worksite
- Heavy duty drum chipping systems
- HWC120P features high speed processing with high speed disc cutting system

Model	HWC50H	HWC100L	HWC120P
Engine Type	HYUNDAI 4-stroke petrol	HYUNDAI 4-stroke petrol	HYUNDAI 4-stroke petrol
Engine Displacement (cc)	212	212	420
Fuel Tank Capacity (L)	3.6	3.6	6.5
Chipping Diameter (mm)	50	100	120
Cutting Method	Drum	Drum	Disk
Discharge	65L collector bag	360°	360°
Wheels	Solid rubber	Pneumatic	Pneumatic + towbar
Start System	Recoil	Recoil	Electric
Net Weight (kg)	51	93	265
Applications	Homeowner	Landowner	Professional

**YARD CARE, THE SMART WAY.**

# LUBRICANTS

---

4-Stroke Oils • 2-Stroke Oils • Chainsaws Bar & Chain Oils

## LUBRI-Synth PREMIUM LUBRICANTS

Premium range of lubricants that provide ultimate protection and performance for your HYUNDAI outdoor power equipment.

# LUBRI-Synth 4-STROKE ENGINE OIL

## Synthetic 10W-30

Premium 4-stroke engine oil that features an uniquely developed formulation that delivers the best performance available for modern engines.

### Features & Benefits:

- Cleaner engine
- Lower wear
- Improved fuel economy
- Excellent cold starting performance

Product Type	SYNTHETIC 10W-30 4-STROKE ENGINE OIL
Performance Standards	Meets or exceeds API SJ/CH
Applicable Part Numbers	HY00030 – HY00039
HY00031 (20 units per box)	500ml
HY00032 (12 units per box)	1L
HY00033 (4 units per box)	5L
Applicable Data Sheet	LS-4T-S-01/23

Specially formulated for HYUNDAI 4-Stroke Lawnmower & Industrial Engines.

## LUBRI-Synth 2-STROKE ENGINE OIL

### Mineral

High performance 2-stroke engine oil that exceeds numerous European specifications for a wide range of 2-stroke engines.

#### Features & Benefits:

- Cleaner engine
- Lower wear
- Low smoke emission
- Lower operating costs

Product Type

MINERAL 2-STROKE ENGINE OIL

Performance Standards

Meets or exceeds API TC, JASO FB, ISO-L-EGB

Applicable Part Numbers

HY00040 – HY00049

HY00042 (25 units per box)

200ml

HY00043 (12 units per box)

1L

HY00044 (4 units per box)

5L

Applicable Data Sheet

LS-2T-M-01/23

Specially formulated for HYUNDAI 2-Stroke Outdoor Power Equipment Engines.

# LUBRI-Synth 2-STROKE ENGINE OIL

## Synthetic

The ultimate synthetically blended 2-stroke engine oil that exceeds the most demanding European specifications for modern 2-stroke engines.

### Features & Benefits:

- Cleaner engine
- Lower wear
- Low smoke emission
- Lower operating costs
- Longer service intervals

Product Type	SYNTHETIC 2-STROKE ENGINE OIL
Performance Standards	Meets or exceeds API TC, JASO FD, ISO-L-EGD
Applicable Part Numbers	HY00050 – HY00059
HY00052 (25 units per box)	200ml
HY00053 (12 units per box)	1L
HY00054 (4 units per box)	5L
Applicable Data Sheet	LS-2T-S-01/23

Specially formulated for HYUNDAI 2-Stroke Outdoor Power Equipment Engines.

## LUBRI-Synth CHAINSAW BAR & CHAIN OIL

### Virgin

High quality virgin based bar & chains oil for chainsaws. Delivers superior wear reducing properties for improved cutting performance.

#### Features & Benefits:

- Lower friction
- Lower wear
- Lower heat generation
- Improved cutting performance
- Reduced debris throw out/off

Product Type	VIRGIN CHAINSAW BAR & CHAIN OIL
Base Materials	Virgin
Applicable Part Numbers	HY00060 – HY00069
HY00061 (12 units per box)	1L
HY00062 (4 units per box)	5L
Applicable Data Sheet	LS-CO-V-01/23

Specially formulated for HYUNDAI Chainsaw Cutter Bars & Chains.

# NEW PRODUCTS COMING IN 2025 - 2026
