| Ref | Description                | Part number |
|-----|----------------------------|-------------|
| 1   | M4*14 Hexagon socket screw | HY00101     |
| 2   | Starter handle             | HY00202     |
| 3   | Starter housing            | HY00302     |
| 4   | Small disk spring          | HY00402     |
| 5   | Spring cover               | HY00501     |
| 6   | rope                       | HY00601     |
| 7   | Big rope wheel             | HY00701     |
| 8   | Big disk spring            | HY00801     |
| 10  | Small rope wheel           | HY01002     |
| 11  | Flat washer 5*16*1.5       | HY01101     |
| 13  | Air direction Cover        | HY01302     |
| 14  | Engine oil cap             | HY01402     |
| 15  | washer for Engine oil cap  | HY01501     |
| 16  | Washer for Oil pump        | HY01601     |
| 20  | M8*1.25 Hexagon flange nut | HY02001     |
| 21  | Fly wheel                  | HY02104     |
| 25  | ST5*14 self tapping screw  | HY02502     |
| 27  | 12*22*7 oil seal           | HY02701     |
| 28  | M5*30 Hexagon socket screw | HY02801     |
| 30  | Crank case                 | HY03004     |
| 31  | 6201 open bearing          | HY03101     |
| 34  | Suction mouth              | HY03401     |
| 36  | vacuum tube                | HY03601     |
| 38  | heat insulation pipe       | HY03801     |
| 39  | Paper pad of Cylinder      | HY03905     |
| 40  | Piston ring                | HY04006     |
| 44  | Piston                     | HY04409     |
| 46  | 9*12*11.7 needle bearing   | HY04609     |
| 47  | 3*10 Half-round key        | HY04701     |
| 48  | Crankshaft                 | HY04804     |
| 49  | 5*10 cylinder pin          | HY04905     |
| 50  | Paper pad of Crankcase     | HY05005     |
| 55  | Small ventilation mouth    | HY05501     |
| 57  | Open circlip 4             | HY05701     |
| 61  | Engine oil filter          | HY06102     |
| 62  | Limit board                | HY06201     |
| 64  | M8*42 Dowel screw          | HY06401     |
| 65  | Oil outlet cover plate     | HY06502     |
| 66  | output oil nozzle          | HY06601     |
| 67  | Oil pump                   | HY06702     |
| 69  | Oil pipe                   | HY06901     |
| 71  | Worm gear                  | HY07101     |

### HCS40H

| Ref | Description                | Part number |
|-----|----------------------------|-------------|
| 72  | 10*13*11 needle bearing    | HY07201     |
| 74  | Clutch drum                | HY07402     |
| 75  | Washer for Clutch          | HY07502     |
| 76  | Clutch                     | HY07602     |
| 79  | wood spike                 | HY07902     |
| 80  | Spring plate               | HY08002     |
| 83  | Main lever                 | HY08302     |
| 85  | Brake lever                | HY08501     |
| 86  | Brake belt                 | HY08601     |
| 87  | 3*8 cylinder pin           | HY08701     |
| 88  | M5*12 Hexagon socket screw | HY08801     |
| 91  | Main spring                | HY09101     |
| 92  | Chain tension plate        | HY09202     |
| 93  | Tension screw              | HY09301     |
| 95  | Chain tension nut          | HY09501     |
| 97  | Brake plate                | HY09702     |
| 99  | chain catcher              | HY09902     |
| 100 | 32 circlip                 | HY10002     |
| 107 | Oil tank                   | HY10707     |
| 108 | Trigger arm                | HY10801     |
| 109 | Handle cover               | HY10902     |
| 110 | Fuel filter                | HY11003     |
| 111 | Balancer                   | HY11102     |
| 112 | Balancer jacket            | HY11202     |
| 113 | Iron push rod              | HY11302     |
| 114 | Fuel tube                  | HY11402     |
| 115 | Trigger                    | HY11502     |
| 116 | Trigger spring             | HY11602     |
| 117 | Pin bush 8*12.5            | HY11701     |
| 118 | washer for fuel cap        | HY11801     |
| 119 | fuel cap                   | HY11902     |
| 120 | Front handle               | HY12002     |
| 122 | Brake handle               | HY12202     |
| 124 | Engine cover               | HY12401     |
| 126 | lock nut                   | HY12604     |
| 128 | Air filter cover           | HY12805     |
| 129 | Air filter cover           | HY12901     |
| 130 | Air filter                 | HY13005     |
| 131 | On/off switch              | HY13101     |
| 135 | Muffler                    | HY13507     |
| 136 | Paper pad of Muffler       | HY13602     |
| 137 | M5*70 Hexagon socket screw | HY13702     |

### HCS40H

| Ref | Description                         | Part number |
|-----|-------------------------------------|-------------|
| 139 | Ignition coil                       | HY13907     |
| 140 | Spark plug                          | L7T         |
| 141 | Cylinder                            | HY14110     |
| 142 | M5*20 Hexagon socket screw          | HY14202     |
| 143 | Paper pad of Intake tube            | HY14305     |
| 144 | Intake tube                         | HY14406     |
| 147 | choke rod sleeve                    | HY14701     |
| 149 | choke rod                           | HY14905     |
| 150 | Paper pad of Carburetor             | HY15005     |
| 152 | Cooper ring                         | HY15201     |
| 153 | Carburetor                          | HY15304     |
| 155 | Inlet elbow                         | HY15501     |
| 157 | Cover for carburetor speed adjuster | HY15702     |
| 159 | Bar                                 | HY15903     |
| 160 | Chain                               | HY16003     |
| 161 | Bar cover                           | HY16101     |
| 162 | 6*31 Brake pin                      | HY16202     |
| 163 | 12*32*5.5 oil seal                  | HY16302     |
| 165 | Balancer pipe                       | HY16501     |
| 193 | Starter handle lid                  | HY19301     |
| 216 | 4*29 Brake pin                      | HY21601     |
| 233 | Logo position                       | HY23301     |
| 234 | wire line clip                      | HY23401     |
| 235 | Dust-proof cover                    | HY23501     |
| 236 | Rubber damper                       | HY23601     |
| 237 | damping block                       | HY23702     |
| 242 | auxiliary lever                     | HY24201     |
| 246 | 6*22*1.5 Flat washer                | HY24601     |
| 249 | Brake torsion spring                | HY24902     |
| 257 | Open circlip 3                      | HY25701     |
| 258 | Carburetor base insert              | HY25802     |
| 272 | 4*30 cylinder pin                   | HY27202     |
| 273 | seat for oil tube                   | HY27301     |
| 274 | Off line                            | HY27401     |
| 279 | clip door                           | HY27902     |
| 280 | Control rack                        | HY28001     |
| 284 | Damper washer                       | HY28403     |
| 292 | Open circlip 5                      | HY29201     |
| 301 | cable clip of ignition coil         | HY30103     |
| 303 | Carburetor base                     | HY30302     |
